

*Dear guest ,
we are looking forward seeing you soon.
Here are some tips how to plan your trip and find us easily.*

By car

The easiest way to reach Sucuraj is by ferry-boat that directly drives from Drvenik on the Makarska Riviera to Sućuraj . Ferry drives 30 min and the price for person is 16 kn (2.5 €) and car 110kn (15€). In the winter time there are 6-7 departures a day, and during the summer 12-20 times.

Drvenik is located on the Adriatic tourist road, 96 km southeast from Split and 120m km northwest from Dubrovnik. If you are coming via Croatian's main highway A1 from Zagreb, Rijeka or Split, you should take the exit number 29 (Zagvozd) and then follow the traffic signs to Makarska. After you have passed through the St. Ilija tunnel (4248 meters), connect to Adriatic tourist road (D8), pass thru Makarska and drive another 30 km. Drvenik is 45 km away from Zagvozd highway exit. If you are coming from Dubrovnik, Mostar or Sarajevo, you should reach Ploče and then drive another 25 km northwest.

Once you reach ferry port in Sućuraj, drive straight 500 m where you will reach a large crossroad. Turn right towards the center, you will see a sign "center". Continue for another 100 m and on the right side you will see a big white house with large parking lot in front of it.

- Another option is to come by ferry from Split to Stari Grad, then by island road to Sućuraj. This way is longer (2h by ferry + 1:30 h island road driving), more expensive (Price for person is 40 kn (6€), car 110 kn (15€)) and a strain to most drivers because the road from Jelsa to Sućuraj is quite winding and narrow. Sućuraj-Drvenik and Split-Stari Grad ferry-boat timetable can be found on www.jadrolinija.hr.

When you arrive in Sućuraj you will reach a large crossroad. Continue straight towards the center and after 100 m and on the right side you will see a big white house with large parking lot in front of it.
